This, a new revelation
Speaks a message to me
Without hesitation
Rings out loud and clear

Seize your peace of mind
Seize your peace of mind
Seize your peace of mind
Seize your peace of mind

This American nation
Takes the message from me
Without hesitation
Robs the message from me

Seize your peace of mind
Seize your peace of mind
Seize your peace of mind
Seize your peace of mind

Without all the fanfare
Ring out loud and clear
Without all the grandstands
Ring out loud and clear

Wait up for me, wait up for me
Wait up for me now
Wait up for me, wait up for me
Wait up for me now

This, the ancient of nations
Holds the message for me
Without hesitation
Rings out loud and clear

Seize your peace of mind
Seize your peace of mind
Seize your peace of mind
Seize your peace of mind

Seize your, seize your

S-s-seize your, s-s-seize your
