This is the office of a busy man
Can you hold the line?
In pipes the music you can't understand
Can you change the station?
Is there a message? He's on with LA
Big deal in LA
His time is his money and his money is time
Can you hold the line?

Do you know who I am?
Do you know who I am?
Do you know who I am?

This is the city of a busy man
It's New York, New York
There's millions of people and it's dog eat dog
Can you taste the smog?
You've got to rush here and you've got to rush there
Don't ask me why
It's the city of dreams, it's the right kind of place
For a busy man

Do you know who I am?
Do you know who I am?
Do you know who I am?

This is the office of a busy man
Can you hold the line?
He is the music, you can't understand
Can you change his station?

Do you know who I am?
Do you know who I am?
Do you know who I am?
