There was a time
When life was easy
My heart did soar for what the future stored
And life it pleased me

But it's all gone now
It's all gone now, gone away now
It's all gone now
It's all gone now, gone away now

Far away
Far away

My life it's changed or have
I rearranged what was my life
What once brought fright
Now seems oh so trite and I'm scared

Catastrophe and calamity
Are the norm now
And life seems like some
Old forgotten dream

Far away

But when I look into your eyes
I forget myself and my sighs
I'm alone with you on the sea
On a crystal sea

There was a time
When life was easy
My heart did soar for what the future stored
And life

But it's all gone now
It's all gone now, gone away now
It's all gone now
It's all gone now, gone away now

Far away

Far away
