It's not enough to just be you  
You must have another to dictate to  
To live the dreams that once were yours  
And through time went out the door  
Now the clock is ticking fast  
A child is born to live them out at last  
Like a sheep his mind is lead

You f\*\*k with my mind  
Like you f\*\*k with a toy  
I'm no longer your little boy  
You pull my strings to watch me spin  
And in the end you'll never win

Frustration runs through my head  
I wonder if I should be dead  
Words don't seem to mean a thing  
So what the f\*\*k will tomorrow bring

You f\*\*k with my mind  
Like you f\*\*k with a toy  
I'm no longer your little boy  
You pull my strings to watch me spin  
And in the end you'll never win
