Twenty miles from my-y house to your house  
Twenty miles and I'm walkin' all the way  
Twenty miles when you're a lovin' lover  
And I've got to see my baby every day

I walk along [whistle]  
Sing a so-ong [whistle]  
Twenty miles is a long-long way-ay-ay  
And I've got to see my baby everyday

Lot's of girls, they nod their head to my house  
Pretty girls walkin' past my way all day  
Lot's of girls, but I don't even see 'em  
'Cause the girl I love that's twenty miles away

I walk along [whistle]  
Sing a so-ong [whistle]  
Twenty miles is a long-long way-ay-ay  
And I've got to see my baby everyday

I walk along [whistle]  
Sing a so-ong [whistle]  
Twenty miles is a long-long way-ay-ay  
And I've got to see my baby everyday  
Twenty miles is a long-long way-ay-ay  
'Cause I've got to see my baby everyday

Twenty mi-iles, twenty mi-hi-iles  
Twenty mi-iles  
And I've got to see my baby everyday
