The Madison Time (part 1)

Ray Bryant

It's madison time hit it  
You're lookin' good -  
A big strong line  
When I say hit it,  
I want you to go two up and two  
back with a big strong turn  
and back to the madison  
Hit itta  
(instrumental)  
You're lookin' good  
Now when I say hit it,  
I want you to go two up and two  
back double cross  
come out of it with the rifleman  
Hit itta  
(instrumental)  
Crazy  
Now when I say hit I want the strong  
"M" erase it and back to the madison  
Hit it  
(instrumental)  
Walk on you're lookin' good  
(instrumental)  
Now then when I say hit, it'll be "T" time  
(instrumental)  
Hit it  
(instrumental)  
Big strong line  
Now when I say hit it I want the big strong  
Cleveland box and back to the madison  
(instrumental)  
Hit it  
(instrumental)  
Crazy  
Now when I say hit it,  
I want the big strong basketball  
with the Wilt Chamberlain hook  
(instrumental)

Hit it -- 2 points  
Now this time when I say hit it,  
I want the big strong  
Jackie Gleason and back to the madison  
(instrumental)  
Hit it - and away we go

Now then when I say hit, birdland 'til I say stop  
Hit it -- how 'bout a little stiff leg there?  
You're lookin' good

Now when I say hit it come out of the birdland back to  
the madison  
(instrumental)  
Hit it - crazy

When I say hit it, go 2 up and 2 back double cross and  
freeze  
Hit it  
(instrumental)  
And hold it right there  
fade instrumental
