"Hold My Heart"

How long must I pray, must I pray to You?
How long must I wait, must I wait for You?
How long 'til I see Your face, see You shining through?
I'm on my knees, begging You to notice me.
I'm on my knees, Father will You turn to me?

One tear in the driving/dropping rain,
One voice in a sea of pain
Could the maker of the stars
Hear the sound of my breaking heart?
One life, that's all I am
Right now I can barely stand
If You're everything You say You are
Would You come close and hold my heart

I've been so afraid, afraid to close my eyes
So much can slip away before I say goodbye.
But if there's no other way, I'm done asking why.
I'm on my knees, begging You to turn to me
I'm on my knees, Father will You run to me?

One tear in the driving/dropping rain,
One voice in a sea of pain
Could the maker of the stars
Hear the sound of my breaking heart?
One life, that's all I am
Right now I can barely stand
If You're everything You say You are
Would You come close and hold my heart.

So many questions without answers, Your promises
remain
I can't see but I'll take my chances to hear You call my
name
To hear You call my name

One tear in the driving/dropping rain,
One voice in a sea of pain
Could the maker of the stars
Hear the sound of my breaking heart?
One life, that's all I am

Right now I can barely stand
If You're everything You say You are
Won't You come close and hold my heart.

Hold my heart, could you hold my heart?
Hold my heart.
