Holding onto our beliefs  
Like a child holds to its father  
It's like we're trying so hard to breathe  
With our heads underneath the water

Keep trying to find the balance  
Of our love and our convictions  
'Cause we know that life in You  
Moves far beyond religion

We know, we know, we know, we know  
That nothing else even matters but love

Whoa, we keep trying to find a way  
Whoa, to come together  
Whoa, Lord, take these fears away  
Whoa

And make us one, one, one, whoa  
Lord, make us one, one, one, Lord, make us one

We are the face of Christ  
In a world of shadows  
Is it God's love we're fighting for  
Or our denomination's ego?

We got to let go of pride  
Embrace the idea of difference  
Make unity our calling  
And move within forgiveness

We know, we know, we know, we know  
That nothing else even matters but love

Whoa, we keep trying to find a way  
Whoa, to come together  
Whoa, Lord, take these fears away  
Whoa

And make us one, one, one, whoa  
Lord, make us one, one, one, Lord, make us one

Imagine what could be, imagine what could change  
If love was all that really mattered  
Would the light of Christ finally shine through  
Me and you?

Holding onto our beliefs  
Like a child holds to its father  
It's like we're trying so hard to breathe  
With our heads underneath the water

Whoa, we keep trying to find a way  
Whoa, to come together  
Whoa, Lord, take these fears away  
Whoa, oh yeah

And make us one, one, one, whoa  
Lord, make us one, one, one, Lord, make us one, oh  
Make us one, one, one, whoa  
Lord, make us one, one, one, Lord, make us one, oh

Make us one, one, one, whoa  
Make us one, one, one, Lord, make us one, oh  
Make us one, one, one, whoa  
Make us one, one, one, Lord, make us one
