Therefore I'm laying down in laughter
Mighty, the mightiest life hereafter
The trip we started hasn't finished here
And while we think there's not a shade of fear
Black points jump in crossing lines
Insanity and Genius
Both two sides are what I find
And I know they're mine
Sometime my womb bears an actor
Your mind - creating tragic factors
You've got knowledge - stolen from the sea
You've got wisdom - just stolen knowledge
Black points jump in crossing lines
Both two sides are what I find
Insanity's not far behind the genius inside
Close before - insanity and genius - close before
Close before - insanity and genius - close before
And everyday a dreamer dies
To see what's on the other side
And everyday more dreamers die my friend
While black points jump in crossing lines again

Companions in approaching time - Insanity and Genius

Good old friends in common life - Insanity and Genius

Close before - insanity and genius - close before (x3
