Somewhere in the desert of the void

Beyond the wall

We're the last survivors

We're the ones who'll never fall

Men inside the circle leave the night!

Darkness all around us

Not a single beam of light

All we have is our faith

Waiting for the fight

The time has come to break the outer wall

Grab your heart I'll show you the way

Hold you head up high

High above at the edge of the world

We're searching for glory and peace

When the time has come, you will see

Our return to the land of the free

Men inside the circle

Tell me what you feel and see

Delusions of reality

The mirror of your dreams

Hold you ground

And I'll show you the way
Now hold your head up high
High above at the edge of the world
We're searching for glory and peace
When the time has come, you will see
Our return to the land of the free
And when the cracks appear upon the wall
We know the moments here to see it fall
and as the sunlight appears again in our sky
no wall, no more, no more will darken our life
High above at the edge of the world
We're searching for glory and peace
When the time has come, you will see
Our return to the land of the free
