Searching every day, looking every way

Trying to make a connection, to find a piece of the
action

Like the hungry poet, who doesn't know

He is close to perfection, choice is the question

Moonlight night after moonlight night

Side by side they will see us ride

But if they cared to look, than they would see

It's our return to fantasy, fantasy, fantasy

Fantasy, fantasy, fantasy

Can you understand, that in every man

There's a need to unwind, that's never been defined

Somewhere deep within, there's another being

You are somehow abusing, by the person you're using

Moonlight night after moonlight night

Side by side they will see us ride

But if they cared to look, than they would see

It's our return to fantasy, fantasy, fantasy

Fantasy, fantasy, fantasy

Travelling faster than lightning

Closer than ever before

We can go on for you, and take you nearer to
The legend of mystery from the beginning of time
Dreaming... TIME... Dreaming
We can return to the land of the good and the kind
TIME... Dreaming... TIME... Dreaming
Why don't you come to our party and open your minds
In another place, there's a newer face
Like an unfinished painting, your creator is waiting
The brush and pen describe, what it is inside
That will set your mind thinking, while the others are
sinking
Moonlight night after moonlight night
Side by side, they will see us ride
But if they cared to look, than they would see
It's just our return to fantasy, fantasy, fantasy, oh yeah
Fantasy, fantasy, fantasy
