Music/Lyrics: Hansen

You know who I am, show you a land

Where you can be free, can get your relief.

Space is all yours, desires come true.

Love of your life waitin' for you.

I got no time for wasting all my day,

Come on and follow, follow me away.

Spaceeater - you're losing control

Spaceeater - and I own your soul

I'll make you happy ain't no lie,

Come eat my space, you're gonna fly.

Let me control your senses,

And lose your mind, your worries inside.

I got no time to stand and waste my day,

Come on and follow, follow me away.

Spaceeater - you're losing control

Spaceeater - and I own your soul.

A little bit, a little bit, a little sip, a little hit

You're drowning in a lustrous whirl, be superman or  
wondergirl.

Oh, we fly away on supersonic dreams, we ride on  
universal starshine,

Through space.

I got no time to stand and waste my day.

Come on and follow, follow me away,

Spaceeater
