Father can you hear me, did you talk to mother earth

what did she say, what did you see, now ...is it time for
our rebirth?

open up the silent center of your mind,

I now want to know the future of our kind

in the valley of the kings, when the storm breaks loose
again

then the gods return to fight, for the future of their
lives

in the valley of the kings

oh mother do you hear me, did you talk to father moon

I don't want to leave my brothers in this temple of
their doom

open up the silent center of your mind

I now want to know the future of our kind

in the valley of the kings, when the storm breaks loose
again

then the gods will spread their wings, In the valley of
the kings

ra vite, deus sanktus, ra vite

ra vite, revertate, ra vite

Solo (... for those who care)

Kai, Both, Kai, Henjo

oh mother earth do you believe there is a place for us

to go

come set us free again and let us fly away and give us
hope

there'll be a time for us to fly to our thrones up in the
sky

in the valley of the kings, when the storm breaks loose
again

then the gods will spread their wings, In the valley of
the kings
