Hey, look there  
So strange  
Through the walls, I can hear them talk about  
Someone who, sounds a lot like me  
Whispers so soft (It really doesn't matter)  
Whispers so clear (It really doesn't matter)  
What have they done to me ?

Behind their hands, I can see them smile at me  
Tell about everything I do  
Pulling me down (It really doesn't matter)  
Underground  
What have they done to me?

The pain, it's so strange  
It's not the same, It's so strange
