This fucking bastard is getting on my nerves  
Always mouthing off, reek of foul odour  
Grotesque appearance, ugly as shit  
Just one look at him makes me wanna vomit

This fucking bastard is getting on my nerves  
Always mouthing off, reek of foul odour  
The sound of his voice sends shivers down my spine  
I can't take it any more now his ass is mine

Time to retaliate  
Slash the cock off ram it down his throat  
Hit him kick him, no mercy will be shown  
He will suffer for his ignorance

Suffer severely for my sweet revenge  
Breaking his arms with a violent snap  
Put his legs up stomping his kneecaps  
He screams out in pain, bleeding, begs for life

He will feel pain unknown this worthless piece of shit  
Time to burn him, work him over with a blowtorch  
Skin is melting skin is melting  
Sour smell, makes me vomit  
Makes me hate him even more

Hacking with my knife I will go berserk  
Slashing up his stomach, ripping up his throat  
Stabbing his face, peeling out his eyes  
Drenching myself in blood

Carve out his heart, squash it with my foot  
And every other organ waiting in his gut  
When i'm through with him, there won't be anything left  
Total dismemberment, is all that's in my head

This sorry motherfucker should've left my world alone  
Minded his own business, not interfered with mine  
Start to pour out gasoline all over the remains  
Burning bright he'll soon be gone, no one will ever  
know

It's time for retaliation  
Suffer my violent retort  
Vengeance is mine  
Time to retaliate
