

## Selena and the Scene

### "Kiss And Tell"

Visit "[Kiss And Tell](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Hey!  
Hey!  
Hey!

When you walk you don't leave tracks  
When you talk  
They don't talk back  
Believe in every word you say  
They don't know  
They don't, don't know

Secrets that you just can't keep  
Promises that you made me  
You twisted it to suit yourself  
But now I know  
I know, I know

Chorus  
Oooo!  
Everything that I told you  
Oooo!  
You just smile(?) And then you

Kiss and tell  
Everything I said  
Stuck inside your little web  
Everybody wants to know  
Yeah  
Lips that lie  
Cutting your trap(?)  
Sold me out and you just laughed  
Say we're friends until the end  
Yeah

But you  
Don't mean it  
Don't mean it  
Don't mean it  
Don't mean it

Wish that I could take it back

You want it all  
But you can't have that  
People falling at your feet  
But they don't know  
They don't, don't know

You gonna figure out real soon  
Your dirty deeds will catch up to you  
It's coming right beneath your feet  
But you don't know  
You don't, don't know

Chorus  
Oooo!  
Everything that I told you  
Oooo!  
You just smile(?) And then you

Kiss and tell  
Everything I said  
Stuck inside your little web  
Everybody wants to know  
Yeah  
Lips that lie  
Cutting your trap(?)  
Sold me out and you just laughed  
Say we're friends until the end  
Yeah

But you  
Don't mean it  
Don't mean it  
Don't mean it  
Don't mean it

Oooo!  
Everything that I told you

Oooo!  
Everything that i told you

Oooo!  
You just smile and then you

Kiss and tell  
Everything I said  
Stuck inside your little web  
Everybody wants to know  
Yeah  
Lips that lie  
Cutting your trap(?)

Sold me out and you just laughed  
Say we're friends until the end  
Yeah

But you  
Kiss and tell  
Everything I said  
Stuck inside your little web  
Everybody wants to know  
Yeah  
Lips that lie  
Cutting your trap(?)  
Sold me out and you just laughed  
Say we're friends until the end  
Yeah

But you  
Don't mean it  
Don't mean it  
Don't mean it  
Don't mean it  
Don't mean it  
Don't mean it  
Don't mean it  
Don't mean it

No.
