I heat up, I cant cool down.

You got me spinning, round and round.

Round and round, and round it goes.

Where it stops nobody knows.

Every time you call my name, I heat up like a burning flame.

Burning flame, full of desire, kiss me baby let the fire get higher.

Abra Abra Kadabra, I wanna reach out and grab ya.

Abra Abra Kadabra, Abra Kadabra.

You make me hot you make me sigh.

You make me laugh you make me cry.

Keep me burning for your love, with the touch of a velvet glove.

Abra Abra Kadabra, I wanna reach out and grab ya.

Abra Abra Kadabra, Abra Kadabra.

I feel the magic in your caress, I feel the magic when I touch your dress.

Silk and satin leather and lace, black panties with an angels face.

I see magic in your eyes, I hear the magic in your sighs.

Just when I think Im gonna get away, I hear those words that you always say.

Abra Abra Kadabra, I wanna reach out and grab ya.

Abra Abra Kadabra, Abra Kadabra.

Every time you call my name, I heat up like a burning flame.

Burning flame, full of desire, kiss me baby let the fire get higher.

I heat up, I cant cool down, my situation goes round and round

I heat up, I cant cool down, my situation goes round and round

I heat up, I cant cool down, my situation goes round and round
