We're on this rollercoaster ride

Hold on, I'll stay here by your side

We head up to the sky then we slide back down

Upside down try to figure out

Not sure if we could work it out

I wanna be alone but you feel like home

Chorus:

Answer the phone, I know that you're home

I wanna get you alone, and do it again, do it again

Answer the phone, I know that you're home

I wanna get you alone, and do it again, do it again

The signals all are flashing red

It doesn't matter what was said

This bed is much too big without me and you

This all seems so ridiculous

Why can't we just get over this

Don't make me say the obvious

Without you

Chorus:

Answer the phone, I know that you're home

I wanna get you alone, and do it again, do it again

Answer the phone, I know that you're home

I wanna get you alone, and do it again, do it again

I practice all my lines to a telephone while you were sleeping

I practice all my lines to a telephone while you were sleeping

I practice all my lines to a telephone while you were sleeping

I remember the way you curled your toes

On the side of the stage at all our shows

And the glow on your face just because of one rose

And when I wake up in the morning and you're wearing my clothes

Chorus:

Answer the phone, I know that you're home

I wanna get you alone, and do it again, do it again

Answer the phone, I know that you're home

I wanna get you alone, and do it again, do it again

Do it again, do it again and do it again, do it again

I wanna do it again, do it again and do it again, do it again
