You pulled my head back, watched it bleed!

(I need it again!)

No time to move, can't even breathe!

Your face is stuck in a magazine!

(You're such a bitch!)

For once do something for yourself!

So breathe! (Yeah!)

Breathe! (Yeah, yeah!)

Breathe! (Ye-yeah!)

Breathe!

You found me out somehow,

You found me out somehow,

You found me out somehow,

You found me out somehow!!!

We scratch and kick and pull and fight!

(Do it again!)

I do it wrong and you do it right!

Here now you're done, you're so uptight!

(You get so hard!)

All we ever do is fucking fight!

So breathe! (Yeah!)

Breathe! (Yeah, yeah!)

Breathe! (Yeah!)

Breathe!

You found me out somehow,

You found me out somehow!!!

It's all the same no matter what you say!

(Ya think ya need it!)

You've got the same no matter what you say, yeah!

The grass is greener in LA!

(You're just a suspect!)

Everybody's dead in their own way!

So breathe! (Yeah!)

Breathe! (Yeah, yeah!)

Breathe! (Yeah!)

Fuckin' breathe!

You found me out somehow,

YOU FOUND ME OUT SOMEHOW!
