Spread your love and fly

All around the world statues crumble for me

Who knows how long I've loved you

Everywhere I go people stop and they see

25 years old, my mother god rest her soul

I just want to fly

Put your arms around me baby (x2)

I just want to fly

Put your arms around me baby (x2)

Dance a little stranger show me where you've been

Love can make you hostage wanna do it again

Theres no time to think bout to start it all again

Well find out I'm sure, my mother she told me so

I just want to fly

Put your arms around me baby (x2)

I just want to fly

Put your arms around me baby (x2)

I just want to fly (x2)

All around the world statues crumble for me

Who knows how long I've loved you

Everyone I knows been so good to me

25 years old, my mother go rest her soul

I just want to fly

Put your arms around me baby (x2)

I just want to fly

Put your arms around me baby (x2)

I just want to fly
