all this frustration x2

let it out x2

I got a mental problem but I'm working it out

what's wrong with you don't you know that'll never do

let it out x4

gotta get it off my mind

all right

I can't feel any worse than I feel right now

don't worry about it because I'm ok and I'm all right

I'm OK and I'm all right

let it out x4

black guys help the white guys

They're kinda

black guys help the white guys

??????

did you or did you not x2

your God damn right I did!

see the product you'll turn out like me

I got alot of pent up hostility towards you

gimme a beer bitch

cause a good mom is hard to find

I'm OK and I'm all right

let it out x4

black guys help the white guys

they're kinda

black guys help the white guys

??????

she's got the guts! x2

when I get my balls inside of my hands

IM your maintenance man
