He was the heavyweight king at the age of 21  
from the streets of NY where they're all called mean  
he never had no mom, never had no dad  
his aunt and Cus Da'mato was all he ever had  
but he found his pot of gold, consequently came Givins  
when they broke up it was him that was given  
and we like to build 'em up and we like to see 'em fall  
finally taken down by a hooker five feet tall  
I said you gotta set him free [x4]  
when push comes to shove [x4]  
It was a battle of brains, a battle of wit  
so my man got his mad skills, Allan Durschwitz  
but he left him out to dry, the judge was a fool  
using this case as publicity tool  
so it's off to cell to meet the prison staff  
the first thing they do is want his autograph  
and I just laugh cause he suffered the wrath  
now the man added time to his liberty path  
I said you gotta set him free [x4]  
when push comes to shove [x4]  
I heard he gets a lot of visits still he's got no family

but he gets alot of love from the kids in Jodeci  
what Desiree sucks man on his new TV  
same name bitch but you look simular to me  
but thats another story, I'm gettin off track  
but when he gets out I think you better watch your back  
I said now when he gets out I think you better watch  
your back  
you might find yourself kid tagged and sacked  
I say they gotta set him free [x4]  
when push comes to shove [x4]  
we gotta set that motherfucker free
