No place like home

No place like

Yeah

Can't take this anymore, got my head down on the floor

My brain is burning inside of my head

Can't speak the word and my face is blue

And I wanna get back to the arms of you

Speed home california (x4)

Oh yeah, uh

Got 1894 with all my friends who pass at my back door

Can see the light of another night in here

And you want it fast and you want it now

And if you ask they'll tell you how

Wanna get back I gotta get back to my

Speed home california (x8)

Yeah, uh, uh, uh, alright, uh-uh, uh-uh, yeaaaaaow

Yeah

Uh

Ba-a-now, ba-a-now

Shhhh stop

These are the brakes

See you here, me not at all set you up to watch you fall

Least I feel the starting of the end yeah yeah yeah

Gotta pick it up, are you gonna be late?

12 more hours to the sunshine state

Wanna get back, I gotta get back to my

Speed home california (x4)

Speed home (x3)

Speed home california
