your throwin' sticks and stones, your breakin' my bones
man

I can see you got to leave it alone

your trying hard, pushing hard, trying hard, pushing
harder

but I'm smartest, I want you to know this

you gotta get down if you want to hang around [x3]

and if you want to hang around you gotta get down

what ever happend to girls that were freakin

everybody was streakin it was no big thing man

if I had the choice I'd bring it all back

everybody's talkin' bout me gonna blow my stack

you gotta get down if you want to hang around [x3]

and if you want to hang around you gotta get down

dance around the pool in a jock like Hammer

g-string up my ass so my cheeks are getting tanner

now I'm in the chaise lounge in a Burt Reynolds pose

socks on my feet you know I got ugly toes

motherfucker I'm Mark with a K not a C

when I'm face down get a ride from McG

you gotta get down if you want to hang around [x3]

and if you want to hang around...you gotta get down
