Now this is just somethin from back in the day

I'll always remember Run DMC

And all the good times

That we had on the beach

Stealing sips from a paper cup

And making out in the sand

Maybe I'm dreaming

Can you tell me

Do you remember

The summers that lasted so long

June til September

Was our time to sing all the songs

Do you remember

All of us together

As we grew up under the sun

I'll always remember everything we'd do

Rockin' the eighties blastin' K-R-O-Q

I remember Culture Club

The Clash, and Men Without Hats

Seems kind of funny right now

But it's taking me back

We'd always sing along

And laugh out loud at ourselves

Don't want to stop dreaming

Can you tell me

Do you remember

The summers that lasted so long

June til September

Was our time to sing all the songs

Do you remember

All of us together

As we grew up under the sun

I want to rewind every time

'Cause the words have so much meaning

They were there when nobody cared

Always knew what I was feeling

Stay tonight don't leave me reminiscing

All I do is wind up missing you

Are you missing me

na na na (x 16)

Are you missing me

Do you remember

Summers that lasted so long (back back in the day,
back back in the day)

Do you remember

All of us together

As we grew up under the sun
