

## Oedipus Complex, The "Days of Search"

Where art thou sweet conclusion  
Not here  
Not anywhere within reach  
Tirades  
Days of search  
Hopelessly lost within my own occupations  
Identity less  
Scatterbrained  
Forgive my wandering thought patterns  
They aren't making any sense  
Not here  
Not anywhere within sight

And I'm through with this quest  
Conclusion is lost  
I resign to this curse and accept that it's dead

Wasted my time on a shallow one  
Wasted my time on a shallow one  
Wasted my time on a shallow one

Is today over yet  
Is today over yet  
Is today over yet  
I want to go back to sleep now
