I  
I live in a hole  
At the end of my rope  
I'm destroyed

Is there  
Really anyway out of here  
I need some help

Why can't I get away from here  
Because I'm stuck here on the earth  
Cursed to be just one of many  
Entrapped in their society

Existence  
Is this some curse  
Or someone's sick joke

Tell me  
Why do I have to be here  
Because I was born

Breathing gets harder by the day  
Worn and broken aren't we all  
Driven under by the way  
Of the tumultuous world we're in

Does it have a point?  
Does it have a reason?  
Does it have a meaning?  
Why why why why why

I  
I climb up the face  
Of sheer agony  
To reach my head above

I struggle to breathe  
Or even find a reason  
To keep me holding on
