Of Flight & Failure - The Kindness of Strangers

I'm not alone (I'm not afraid)
I'm not alone (There is something inside me)
We are one, we are one in the same.
Kindred, we are kindred spirits on this road.
I'M NOT ALONE.
I'M NOT ALONE.
Take my hand never let go.
I've got the power inside me and I will learn to control
it in time, it helps to have someone by my side.
This world was lost when we found it,
they'll find the strength if they look to the sky.
Are we their answer or are we a lie?
Kings! We are kings among men!
Gods! We are Gods among insects!
OH.
Don't you see? We should be the ones crowned kings.
I cannot take this anymore.
I've got the power inside me and I will learn to control
it in time, it helps to have someone by my side.
This world was lost when we found it,
they'll find the strength if they look to the sky.
Are we their answer or are we a lie?
Help me, help me cause I need to grow.
Show me, light the path that I should know.
Take me, take me where I need to go.
THERE'S SOMETHING INSIDE ME COMING TO LIFE.
I've got the power inside me and I will learn to control
it in time, it helps to have someone by my side.
This world was lost when we found it,
they'll find the strength if they look to the sky.
Are we their answer or are we a lie?
