Of Flight & Failure - Villains

Such a heinous face,
What a crooked smile.
You made me what I am,
Now stay a while.
Get your tickets,
Grab your seats.
Watch the world end in just a blink!
Ladies and gentlemen!
Children of all ages!
Hold on to your seats,
and watch New York start to sink!
You've lost your mind now, you're wasting time now.
We cannot fade away while there are lives to save.
The soul of man is so inclined, could save himself in so
much time.
You must concentrate or all will die today.
I'm so lost now that I can't think,
We lost the world in just a...
This was the plan all along.
How could you be so naive?
I'm not a monster!
I'm a true visionary!
I've seen the light but in this moment it is hidden from
our eyes.
I've fought this night but it has shown us who we are
and what is right.
You've lost your mind now, you're wasting time now.
We cannot fade away while there are lives to save.
The soul of man is so inclined, could save himself in so
much time.
You must concentrate or all will die today.
I'm so lost now that I can't think,
We lost the world in just a...
IN JUST A BLINK.
I just don't think you have it inside you.
I just don't,
I know you better than you know yourself.
You don't have it in you to do what you have to do
to destroy me.

Look inside yourself and you'll find someone else.
