Yeah yeah, yeah yeah

Neptunes, ahahaha

We got dirty in the brand new maitresse  
I had you walk around with your thong on back with  
I know you feel surprise just how long I last it  
Tellin on yo freeze and I'm a nasty basti  
Yo, you know what I like? models and actresess  
You know the wind just scream "He loves u not"  
You know the wind just scream "Tire ass pass"  
When I see ya at the beach and I be like "She hot"  
Baby pause let me freeze the frame  
Cause slide down my pour let me ease the pain  
With the roll on the dubbies in the greasy Range  
And don't a eight rex cox and play a range  
And with that body ain't no tellin waht I do to ya  
I have your money while I'm growinin'  
With that body I can hell but to do ya
