Well, you may think that, I think a little too much,
When I react to things that get me down
Well it seems that you don't care about the only
things I wanted
Wonder if the price of my love is never getting enough

I can't be yours cause you make me feel so lonely
I wouldn't count on you like you were my man
Well it seems that you don't care about the only
things I wanted
Wonder if the price of my love is never getting enough

Fight it cause I know myself
Fight it cause I'll leave again
Even if I know you love me, make me feel like I'm
nobody.....

Is it cause of me you're feelin' so insecure
Why is it me you constantly ignore
Well it seems that you don't care about the only
things I wanted
I think about it everyday, try to get why do u do that

Why do u do that..
U don't get me ,I don't get u
Little things to show me you love me
I know you care, really care why you do that, what
the*****
