I'm feeling down I think I am losing you  
I feel so sad the magic has gone away

If I only could guess what's going on  
'Cause to me nothing has really changed  
She was my girl a magical dream  
I still love her my heart tells me so

I feel alone now that she's gone so far  
What should I do ?  
I've got one way ticket left

If I was given a second chance  
I would tell her so many things  
I'm still wondering if she feels the same  
I don't want her to get me wrong, no

(solo)

If I was given a second chance  
I would tell her so many things  
I'm still wondering if she feels the same  
I don't want her to get me wrong, no

Oh please tell me why I feel like a clown  
Who's wasting all his time  
I still wonder why I had to lose control, oh !

I'm feeling down I think I am losing you  
I feel so sad the magic has gone away

If I only could guess what's going on  
'Cause to me nothing has really changed  
She was my girl a magical dream  
I still love her my heart tells me so

If I only could guess what's going on  
'Cause to me nothing has really changed  
She was my girl a magical dream  
I still love her my heart tells me so
