I ONLY WANT TO BE WITH YOU

I don't know what it is that makes me love you so.

I only know I never wanna let you go

'cos you started something, can't you see.

Ever since we met you've had a hold on me.

I happens to be true, I only want to be with you.

It doesn't matter where you go or what you do.

I wanna spend each moment of the day with you.

Look what has happened with just one kiss.

I never knew that I could be in love like this.

It's crazy but it's true⁵ I only want to be with you.

You stopped and smiled at me,

asked me if I'd care to dance.

I fell into your open arms,

I didn't stand a chance.

Now, listen, honey, I just wanna be beside you
everywhere.

As long as we're together, honey, I don't care

'cos you started something, can't you see.

Ever since we met you've had a hold on me.

No matter what you do, I only want to be with you.

You stopped and smiled at me,

asked me if I'd care to dance.

I feel into your open arms,

I didn't stand a chance.

Now, listen, honey, I just wanna be beside you
everywhere.

As long as we're together, honey, I don't care

'cos you started something, can't you see.

Ever since we met you've had a hold on me.

No matter what you do, I only want to be with you.

No matter, no matter what you do, I only want to be with
you.

No matter, no matter what you do, I only want to be with
you.
