Up and down and round the bend
we go again,
countdown has begun,
Turn the ignition on

Moving into gear,
And here we go again
We can't afford to rest,
Got to keep up with the best

Living in the fastlane's much too slow, so sorry
Add a little extra now you flow, just hurry
Step on it, rise above the crowd
Overtaking is allowed

Hurry up, make haste,
Here we go again,
We're stepping on the gas,
heading for succes

This rat race never stops,
So here we go again,
The rearviewmirror shows,
The competition grows

Living in the fastlane's much too slow, so sorry
Add a little extra now you flow, just hurry
Step on it, rise above the crowd
Overtaking is allowed

Don't slow me down,
don't slow me down,
don't slow me down,
let's hurry

On the outside we look cool,
but we're running out of fuel
Trying hard to keep up pace,
Trying not to lose our face,

We are getting round the rules,

We are agitated fools,
Victory's our only drive,
Let's hear it for this hectic life!
