Jenny's mad 'cause her boyfriend calls here whore  
Now hey let's see  
Both her sisters kick his head in  
They're surrounded by security  
I see people smash their parents  
Just because they don't agree  
And i'm laughing 'cause the stupid dumb-heads  
Do it 'cause they're on TV  
And the crowd is goin' crazy they don't care  
What it's about their job's to drool and shout

What a stupid show, nothing else so low  
People freak out, beat each other, we have to laugh  
It's pleasure out of pain, that's pretty insane  
But I'm not ashamed, the attention's what they wanna  
have

Jake is smashing the present he just got, on Larry's  
head  
And his sister pulls his mothers hair out  
Oh my got just look at that  
The most stupid part of this all  
Is that the words are all censored  
So you mis most parts of what they say  
But hey the riots are assured  
And you know, this guy Jerry Springen runs  
This puppet show, acting like he's some hero

What a funny show, nothing else so low  
People freak out, beat each other, we have to laugh  
It's pleasure out of pain, that's pretty insane  
But I'm not ashamed, the attention's what they wanna  
have

It's amazing I can't figure it out how they think  
I think the camera is their attention like a shrink  
It's cool to look at people so fuckin' nuts  
They think their cool on TV, cool with all their guts  
(It's a TV warfare, a TV show  
Think I saw enough it's so fucking low  
Gonna break you on TV, look at me

So cool with all their guts  
Now are they really not ashamed?  
They call this real TV  
Who cares about their words?  
We wanna see soon blood  
The definition of their life is on that screen  
So cool with all their guts)
