Crawling for a change
Following the stream of light
Enter an unknown universe
Smiling Faces, Hearted Welcome
Carried Away
Ever so tended noticed and loved

Domestics shaping mental development
Trauma forever tracking
Casual phase of life progression

Curiosity
And Insanity
Hand in Hand
Hand in Hand

Crawling for a change
Following the stream of light
Enter an unknown universe
Smiling Faces, Hearted Welcome
Carried Away
Ever so tended noticed and loved

Can't stop the changing of times
Hours taken wasting lives
The Afterlife
Claims my soul
Swingin life away

Curiosity
And Insanity
Hand in Hand
Hand in Hand
