Don'tcha know my love's so true?
Don'tcha know I feel so blue without you, baby?
Don'tcha know that I feel bad?
Don'tcha know my love's so sad?
Don'tcha know I can't be glad without you, baby?
Everyday
And night I pray
For your love
To come my way
Get to hold me in your arms
Feel the wonder of her charms
Let ya know I love you so
Let ya know I'll never let ya go
Let ya know I love you, baby, don'tcha know?
Yeah, yeah, yeah, don'tcha know?
Everday
And night I pray
For your love
To come my way
get to hold me in your arms
Feel the wonder of her charms
Let ya know I love you so
Let ya know I'll never let ya go
Let ya know I love you, baby, don'tcha know?
Don'tcha know that I love you?
Dont'cha know my love's so true?
Dont'cha know I feel so blue without you, baby?
Yeah, yeah, yeah, don'tcha know?
Yeah, yeah, yeah, don'tcha know?
Yeah, yeah, yeah, don'tcha know?
Yeah, yeah, yeah, don'tcha know?
Yeah, yeah, yeah, don'tcha know?
Yeah, yeah, yeah, don'tcha know?.....
