Inflatable love thing, may I come along for the ride?

Inflatable love thing...

Inflatable love thing, can you guess what's hidden  
inside

My brain?

Refrain:

I'm a story collector, the greatest big kiss and teller.

I'm your suitcase mate, pack your bags,  
won't you hurry and don't be late.

Chorus:

(she said) Look into my eyes.

You'll be hypnotized

My, my, my, my, my.....

Portable love thing, unleash your tougue

so I can hear you say: " I'm your plaything "

Inflatable love thing, the queen of feign with  
everything to gain - with no shame.

(Refrain)

(Chorus 2x)

I don't like the way you look, your face ain't no open  
book.

Anytime, anyplace, hand over a pen so I can paint your  
face.

You're livin' in a dream, Rock n' Roll hormone fantasy,  
so who, will it be?

I'm gonna see through your veil,

I'm gonna give you my sympathy.

(Refrain)

(Chorus 3x)
