(Well) well  
Now I believe when it's real, you got to face it, yeaah  
It's called the truth I think I heard somebody saaayin  
This waaay

Let the truth be told  
Let the truth be told (told)  
Let the truth be told  
Let the truth be told (told)

I say... (tooold)

[Dr. Dre] (Truth Hurts)

Yo
