somtimes I think Iâ€™m gonna drown
cause everyone aroundâ€™s so hollow
and Iâ€™m alone
somtimes I think Iâ€™m going down
but no one makes a sound
they follow
and Iâ€™m alone
yeah if I make it Iâ€™d be amazed
just to find tomorrow
yeah one more day and Iâ€™d be amazed
just to see it waiting
yeah and if I make it iâ€™m still alone
no more hope for better days
but if i could change
then Iâ€™d really be amazed
and when you know you canâ€™t relate
to one more shiny face
your heart breaks
no one cares
and when you know you canâ€™t go on
cause everything is wrong
your heart breaks
no oneâ€™s there
yeah if I make it Iâ€™d be amazed
just to find tomorrow
yeah one more day and Iâ€™d be amazed
just to see it waiting
yeah and if I make it iâ€™m still alone
no more hope for better days
but if i could change
then Iâ€™d really be amazed
