

Offspring, The "Cool To Hate"

Visit "[Cool To Hate](#)" on MotoLyrics.com

I hate a lot of things I hate a lot of people that are lame
I like to hate stuff, cause then I don't have to try and
make a change

I hate teachers, I hate school,
I hate the cheerleaders and anyone who's cool (ya)
I hate the office, I hate the quad, don't wanna learn
nothing

I wanna be a slob

CHORUS:

It's cool to hate, it's cool to hate
Don't like nothin' and I like that fine
It's cool to hate, it's cool to hate
Don't like nothin' and I like that fine
Don't like nothin' and I like that fine
Yeah I hate everything, I even hate you too, so FUCK
YOU!

I'm always thinkin' bad, I never have nothin' good to
say

I'd rather tear things down than build them up,
it's easier that way

I hate the jocks and I hate the geeks,
I hate the trendies but I also hate the freaks (ya)
I hate Dr. Martens and Muscle T's
I'm only happy when I'm in my misery

CHORUS:

It's cool to hate, it's cool to hate
Liking something's just a waste of time
It's cool to hate, it's cool to hate
Liking something's just a waste of time
Liking something's just a waste of time
Yeah I hate everything, I even hate me too, so FUCK
YOU!

BRIDGE:

I'll cut you down and give you lip
Being positive's so unhip
I'll cut you down cause I'm a fool
Being positive's so uncool

I hate the jocks, and I hate the geeks
I hate the trendies but I also hate the freaks (ya)
I hate your band, and I hate T.V

I'm only happy when I'm in my misery

CHORUS:

It's cool to hate, it's cool to hate

Don't like nothin' and I like that fine

It's cool to hate, it's cool to hate

Don't like nothin' and I like that fine

Don't like nothin' and I like that fine

Yeah I hate everything, I even hate you too, so FUCK

YOU!!
