Deep inside your soul there's a hole you don't wanna
see

Every single day what you say makes no sense to me
Even though I try I can't get my head around you

Somewhere in the night there's a light in front of me
Heaven up above with a shove, abandons me
And even though I try I fall in the river of you
You've managed to bring me down too

All your faking (Get up, Get up, Get up, Get up)
Shows you're aching (Get up, Get up, Get up)

Every single day what you say makes no sense to me
Letting you inside isn't right, you'll mess with me
I'll never really know what's really going on inside you
I can't get my head around you

All your feeling (Get up, Get up, Get up, Get up)
Shows you're breathing (Get up, Get up, Get up)

Deep inside your soul there's a hole you don't wanna
see
covering it up like a cut with the likes of me
You know I've really tried, I can't do any more about
you

(Yeaaaaaaaaaaaaaaah) The cut's getting deeper

(Yeaaaaaaaaaaaaaaah) The hill's getting steeper.

I guess I'll never know what's really going on inside you
I can't get my head around you
I can't get my head around you
I can't get my head around you
I can't get my head around you
