Hitting walls for a fee
With our friends and we hear this free
All the dogs, dropping bombs
He see

Huck it
You don't have the ties
You won't recognize
Huck it
Cause you realize
You don't need to justify
That cable show is not the lives we know

Drop a bomb in the publics eye
Fuck the sponsors they always lie
You are pointing to go fast and GO
Broken bombs and baking skin
Notify your next of kin
You'll know you'll come alive some day

Huck it
Now you feel alive,
stinks like shit all the time
Huck it
Its like you gotta try
risky shit, might take time
You can not practice lay it on the line
Huck it
Now you're down in luck
cause you don't give a fuck
Huck it
And go by the time
You go out doin' what you got
no talking shit just leave it all and go home

Huck it
Now you'll feel alive
stinks like shit all the time
Huck it
Like you gotta try
risky shit might take time

cant practice just lay it on the line
Huck it
Now you're down in luck
cause you don't give a fuck
Huck it
And go by the time
You go out doin' what you got
No talking shit just leave it all and go home
