I can't stand it for another day  
When you live so many miles away.  
Nothing here is gonna make me stay,  
(You) took me over, let me find a way.

I sold my house  
I sold my motor, too.  
All I want is to be Next To You.  
I'd rob a bank  
Maybe steal a plane.  
You took me over,  
Think I'm goin' insane.

What can I do,  
All I want is to be next to you.  
What can I do,  
All I want is to be next to you.

I've had a thousand girls or maybe more,  
But I've never felt like this before.  
But I just don't know what's come over me,  
You took me over, take a look at me.

What can I do,  
All I want is to be next to you.  
What can I do,  
All I want is to be next to you.

All I want is to be next to you,  
All I want is to be next to you,  
All I want is to be next to you.

So many times I used to give a sign  
Got this feeling, gonna lose my mind.  
When all it is is just a love affair.  
You took me over baby, take me there.

What can I do  
All I want is to be next to you  
What can I do  
All I want is to be next to you

What can I do  
All I want is to be next to you  
What can I do  
All I want is to be next to you.

All I want is to be next to you...
