Lain awake
I don't give a shit
If I even ever
Wake up in the morning
Down below
There's a pile of sin
Always waiting for a
Waiting for a warning

Burned at the stake
Inside I'm blistering
Not a whisper
Looking in you'd never know it
Miles below
I look up again
When you snap they say
Before you never show it

Someone said it's all right
Save it now, don't say it for my sake
Someone said it's all right
Faster now, you know I got no brakes

Fuses glow
Wounds of festering
Till the wind comes up
And takes it to the last pow
Back and forth
Staring at the wall
This room's a cage
I know that something's got to give now

Lain awake
I don't give a shit
If I even ever
Wake up in the morning
Down below
There's a pile of sin
Always waiting for a
Waiting for a warning

Someone said it's all right
Save it now, don't say it for my sake
Someone said it's all right
Faster now, you know I got no brakes(3X)
