lalalalalalalala

Verse 1:

I wrote her off for the tenth time today
And practiced all the things I would say
But she came over, I lost my nerve
I took her back and made her dessert

Bridge 1:

Now I know I'm being used
That's okay, man, cause I like the abuse
I know she's playing with me
that's ok cause I got no self esteem

Chorus:

Ohhh, yeah...

Verse 2:

We make plans to go out at night
I wait till 2 then I turn out the light
All this rejection's got me so low
If she keeps it up I just might tell her so

Chorus

Intersection:

When she's saying that she wants only me
Then I wonder why she sleeps with my friends
When she's saying that I'm like a disease
Then I wonder how much more I can stand
Well I guess, I should stick up for myself
But I really think it's better this way
The more you suffer, the more it shows you really
care...
Right? Yeah!

Verse 3:

Now I'll relate this a little bit
That happens more than I'd like to admit
Late at night she knocks on my door
She's drunk again and looking to score

Bridge 2:

Now I know I should say no
But it's kind of hard when she's ready to go
I may be dumb, but I'm not a dweeb
I'm just a sucker with no self esteem

Chorus

Intersection
