Baby life is like a ride on a freeway  
Dodging bullets while you're trying to find your way  
Everyone's around, but no one does a damn thing  
It brings me down, but I won't let them

If I seem bleak  
Well you'd be correct  
And if I don't speak  
It's 'cause I get disconnected  
But I won't be burned up by the reflection  
Of the fire in your eyes  
As you're staring at the sun  
howooowoow  
As you're staring at the sun  
howooowoow  
As you're staring at the sun  
howooowoow  
As you're staring at the sun  
As you're staring at the sun!

HEY!  
When I ran I didn't feel like a runaway  
HEY!  
When I escaped I didn't feel like I got away  
HEY!  
There's more to living than only surviving  
Maybe I'm not there, but I'm still trying

Though you hear me  
I don't think that you relate  
My will is something  
That you can't confiscate  
So forgive me, but I won't be frustrated  
By destruction in your eyes  
As you're staring at the sun  
howooowoow  
As you're staring at the sun  
howooowoow

HEY!  
When I ran I didn't feel like a runaway

HEY!  
When I escaped I didn't feel like I got away  
HEY!  
There's more to living than only surviving
