

## Offspring, The "Trust In You"

I am the one, your help I've refused.  
Your offering hand just set off the fuse  
I am the rock that pushes away  
I gave up tomorrow to spite today.

Too proud to beg,  
Too stubborn to try  
I'd look in your face  
And spit in your eye.\*

But I'm willing to find what's really inside  
And show I am strong enough to

Trust in you,  
Trust in you,  
Trust in you.  
Pull me up!

Quo modo - shadow to light  
Quo modo - shadow to light  
Quo modo - pull me up,  
Pull me up,  
'Cause I am ready.

I am the one who blames only you  
The flame in my eyes now blackens my view.  
I am the one who wanders alone.  
Darkness inside blocks how you've shone

Who tied the other  
End of my rope?  
I want to move on,  
I want to have hope.

So I'm willing to change  
I'm going to try,  
To show I am strong enough to

Trust in you,  
Trust in you,  
Trust in you,

Pull me up!

Quo modo - shadow to light,  
Quo modo - shadow to light,  
Quo modo - pull me up,  
Pull me up!  
'Cause I am ready.  
(chorus x2)
