(ft King B & Don Trip)

Not for the weak-hearted!  
Break it down bricks, I got hoes to sell  
Fuck the strip club, I got hoes to sell  
One rap... I got bowls to sell  
Call the club back, I need more for sale!  
I got hoes for sale, I got hoes for sale  
I'm rapping 'em ... I got balls for sale  
I got hoes for sale, I got hoes for sale  
I'm rapping 'em ... I got balls for sale

Dollars coming quick like I'm fucking...  
...to save the drinks for tomorrow  
... that bitch, is the motto that I follow  
And I'm swing like Tarzan strap like Desperado  
..you better watch your mouth  
My pockets ... and a fucking stash house  
I'm breaking down right now... from the kitchen  
With a thousand and eight grans, I pop... for 'em  
chicken.  
It's ... a right now, so my...  
I plug .... to the piano  
That's why you niggers struggling, every day I'm  
hustling  
To toss more paper than commercial...

Chorus:

Break it down bricks, I got hoes to sell  
Fuck the strip club, I got hoes to sell  
One rap... I got bowls to sell  
Call the club back, I need more for sale!  
I got hoes for sale, I got hoes for sale  
I'm rapping 'em ... I got balls for sale  
I got hoes for sale, I got hoes for sale  
I'm rapping 'em ... I got balls for sale

I got plenty white, snow, no Eskimo  
I'll be in your hood like Santa, no chimney, though  
Sit back in .... no rap paper, no Christmas...  
I fuck with the bitch, if she the naughty or the nicest

hoes.

I got what you need, just tell me what you're looking for  
I'll be on your block like the neighborhood...

I'll be kinda hot to see them sun how it really goes

I got something for the coach, just call me if you need  
a dose.

Fifty ...no scale

If them crackers ever catch me, they will take my ass to  
jail!

Fuck it, oh... hit the stash, make...

Cause I'm club with the... the Negro cartel!

Chorus:

Break it down bricks, I got hoes to sell

Fuck the strip club, I got hoes to sell

One rap... I got bowls to sell

Call the club back, I need more for sale!

I got hoes for sale, I got hoes for sale

I'm rapping 'em ... I got balls for sale

I got hoes for sale, I got hoes for sale

I'm rapping 'em ... I got balls for sale

...and we can even hold no conversation unless you buy  
it

Bitch, I'm on the grind, working hard, you should try it

Picking up pounds, I'm like...

...some things on sale that cause a riot

The Cush... to keep it quiet!

I'm bouncing... the six and the highest

A scale in the hand gonna weight ...

Every time I ... I not pay my...

And we don't ... don't know who wearing wires

So deep in the water, baby I should be a...

Chorus:

Break it down bricks, I got hoes to sell

Fuck the strip club, I got hoes to sell

One rap... I got bowls to sell

Call the club back, I need more for sale!

I got hoes for sale, I got hoes for sale

I'm rapping 'em ... I got balls for sale

I got hoes for sale, I got hoes for sale

I'm rapping 'em ... I got balls for sale
