Ha ha ha ha ha
That's right, wacha

[Hook]
I'm hittin switches
Attracting bitches from all directions
I got their nipples in erections
I'm reckless 13 inch daytons
Chromed out, top down
Watch the sparks fly when it hits the ground

[First Verse]
Hop in the blue '6-3 impala SS
300 horses put it to the test
It does a drive by in 13 seconds it gets the job done
It's not just for fun
Duck and cover when these bullets are flying
Watch them hover when all these putos are dying
I'm smoking a dime, u ran out of time
It's the beginning of the end
You were never my friend
Lights out before 10
Lock the doors, lock the windows
My glock is a master key it's a disaster G'
Imam let all you bastards see
How Malditos do it
Cometiando delitos is how we do it
If there's a road block go through it
If there's a jura just shoot it
Never salute it
I'm a true blue soldado
Vengo del otro lado, del oeste
Simon ese, no me detestes
Comprendes mendes?
No me entiendes? Te vences

[Hook]
I'm hittin switches
Attracting bitches from all directions
I got their nipples in erections
I'm reckless 13 inch daytons

Chromed out, top down
Watch the sparks fly when it hits the ground

[Second Verse]

Second verse, with each one it gets worse
You wonder why those hollows in your chest hurt
I'm going berserk
.380's .22's .38's .44's
In the compartment drawer
I'm ready for war
I'm ready for more
I got the heart of a warrior
With my flag as my shield and my gat as my sword
My hood is my kingdom
I got protect it
Just check it
I'm bigger than king kong
Call me the don
Southern United Raza nunca descansa
Que te pas ate cache con las manos en la masa
Me meto a tu casa
Dressed in all black with a ski mask
With no questions asked
I procced with my task
And beat your ass

[Hook]

I'm hittin switches
Attracting bitches from all directions
I got their nipples in erections
I'm reckless 13 inch daytons
Chromed out, top down
Watch the sparks fly when it hits the ground

[Third verse]

I got that west coast flow
That best coast snow
Don't test no hoe
The rest goes slow
Homie I'll let ya'll know
I'm just a chicano rapper coming up quick
I've always had them jumping on my dick
They all love it when I spit
Puto don't talk shit or u might get hit
I wear a blue flag but I'm not a crip
I'm a straight sur rider
South sider hooked up with Brown Priders
Some real riders
Going off to wars out in the streets
We always pack heat
Swipe lames off their feet

And bury them 6 feet deep
(for real!)

[Hook] (x3)

I'm hittin switches

Attracting bitches from all directions

I got their nipples in erections

I'm reckless 13 inch daytons

Chromed out, top down

Watch the sparks fly when it hits the ground
